To: **All Members**

Re: **2024 Committee Volunteers**

From: **Bill Maxwell**

The continued success of your Association is directly impacted by the success of its various committees. These committees are dependent upon member volunteers that are willing to offer their time, insight, and efforts toward the attainment of goals that serve the needs of all members. Some of the committees meet on a regular basis and some of them meet on an as needed basis only.

If you would like to volunteer your services for one or more of the committees listed below, please mark accordingly and **fax back to the Board Office at (903) 753-8546 or scan and email to laarstaff@laaronline.org**. The names will be forwarded to the respective Chairperson of the appropriate committee(s) and they will contact you.

Thank you for your consideration on this opportunity for direct involvement in the success of your Association.

- APPRAISER COMMITTEE
